

[illegible]

Technical drawing of a mechanical part (Fig. 1.10) showing dimensions and features. The part is a dark gray rectangular block with a semi-circular end on the right. The dimensions are as follows:

- Overall width: 158
- Distance from the left edge to the center of the large circular hole: 130
- Distance from the left edge to the center of the small circular hole: 120
- Distance from the top edge to the center of the large circular hole: 70
- Distance from the top edge to the center of the small circular hole: 20
- Large circular hole diameter: $\Phi 27$
- Small circular hole diameter: $\Phi 13$
- There is a white V-shaped feature on the left side of the part.
- There is a semi-circular feature on the right end of the part.
